Jangipur, Murshidabad, West Bengal - 742213

SUMMARY

A passionate learner with a strong interest in problem solving, data structures, and algorithms. My journey in technology is fueled by curiosity and the drive to build efficient, logical solutions to real-world problems. Currently, I am pursuing my Bachelor of Technology (B.Tech.) degree while expanding my knowledge by practicing problem-solving in platforms like LeetCode, GfG, HackerRank. I thrive on challenges-whether it's implementing complex algorithms, optimizing code efficiency, or learning new technologies to expand my skill set.

EDUCATION

	Bachelor of Technology, Computer Science and Engineering Murshidabad College of Engineering and Technology 07/2022 - Present Banjetia, Berhampore, Murshidabad. Here I learned Python, Data Structure and Algorithms(DSA), Object Oriented Programming(OOP), Operating Systems concepts and actively learning Database management Systems, SQL, Computer networking concepts. I am passionate about problem-solving, logic building, and development with hands-on experience in Python-based projects.	
	Higher Secondary , Science Jotekamal High School 03/2019 - 03/2021 Jotekamal, Jangipur, Murshidabad. Completed my higher secondary education under the West Bengal Council of Higher Secondary Education (WBCHSE) and developed a strong foundation in Mathematics, Science, and Computer Science which shapes my interest in Computer Science, leading me to pursue a Bachelor of Technology in Computer Science and Engineering.	GPA 3.4 / 4.0
	Secondary Jotekamal High School 01/2013 - 03/2019 Jotekamal, Jangipur, Murshidabad. I completed my secondary education in 2019 with 89% under the West Bengal Board of Secondary Education (WBBSE).	GPA 3.56 / 4.0

SKILLS

Technical Skills :

Python Programming, Data Structures and Algorithms, MySQL, Software Development Lifecycle, Operating Systems.

Soft Skills :

Problem Solving, Communication, Teamwork, Adaptability, Time Management.

COURSES / CERTIFICATIONS

Python programming (basic), HackerRank 02/2025 Remote https://www.hackerrank.com/certificates/iframe/e77e08926ce6 This certification validates my proficiency in fundamental Python concepts, including data types, loops, conditionals, functions, and built in data structures. Successfully passing this Skill Test has strengthened my confidence in writing efficient and logical Python code.
50 Days of DSA Python Data Structures Algorithms Leetcode, Udemy 03/2024 - 05/2024 Remote https://www.udemy.com/certificate/UC-fa407e03-a9f7-4c63-bbbc-629a5e155ca5/ Successfully completed a comprehensive Data Structures and Algorithms (DSA) course on Udemy, covering key topics such as arrays, linked lists, stacks, queues, recursion, trees, hashing, sorting algorithms. It strengthened my ability to tackle coding challenges efficiently.
